

About the Contest

THE ROLE OF THE SCHOOL/TEACHERS

- The contest is executed several weeks in advance of the Artist in Residence and Road Crew Appearance components.
- Music selections are made by The Classical Lady.
- The music provided by Mrs. Crandall is to be played in the classroom while the students create their art projects. They can write, draw, paint, or perform to the music.
- All student artwork must have the student's name, grade, and teacher's name.
- All artwork must include a release signed by the parent.
- The artwork is given to the Classical Lady for judging.
- Once the artwork has been judged, it is all returned to the school in order to be displayed before the Radio Disney Road Crew Appearance.
